**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a former ATT internet customer who switched to Sonic for better service, more reliable service, and better prices. ATT did not provide good service to me over a period of years, and Sonic provided healthy competition. I am very happy with being given the alternative to use a smaller provider . It is the way things are supposed to work.

ATT should not be allowed to hold the monopoly on broadband service in San Francisco or anywhere. I SUPPORT BROADBAND COMPETITION!! Please do not let ATT or any other massive phone company squelch this competition.

Thank you very much for your consideration!
